

# Computer Science advising checklist for students starting in Fall 2019 or later

## Constrained, important to stay on track (Left half)

For a sample course of study see:

<http://catalog.mst.edu/undergraduate/degreeprogramsandcourses/computerscience/#bachelorstext>

Advising FAQ:

<https://cs.mst.edu/academic-programs/undergraduate-degree/advising-faq/>

Entrance requirements into the major:

<https://advising.mst.edu/courses/degree-program-entrance-requirements/>

## Fill in extra spots in schedule whenever fits by drawing your own arrows to rows at left (Right half)

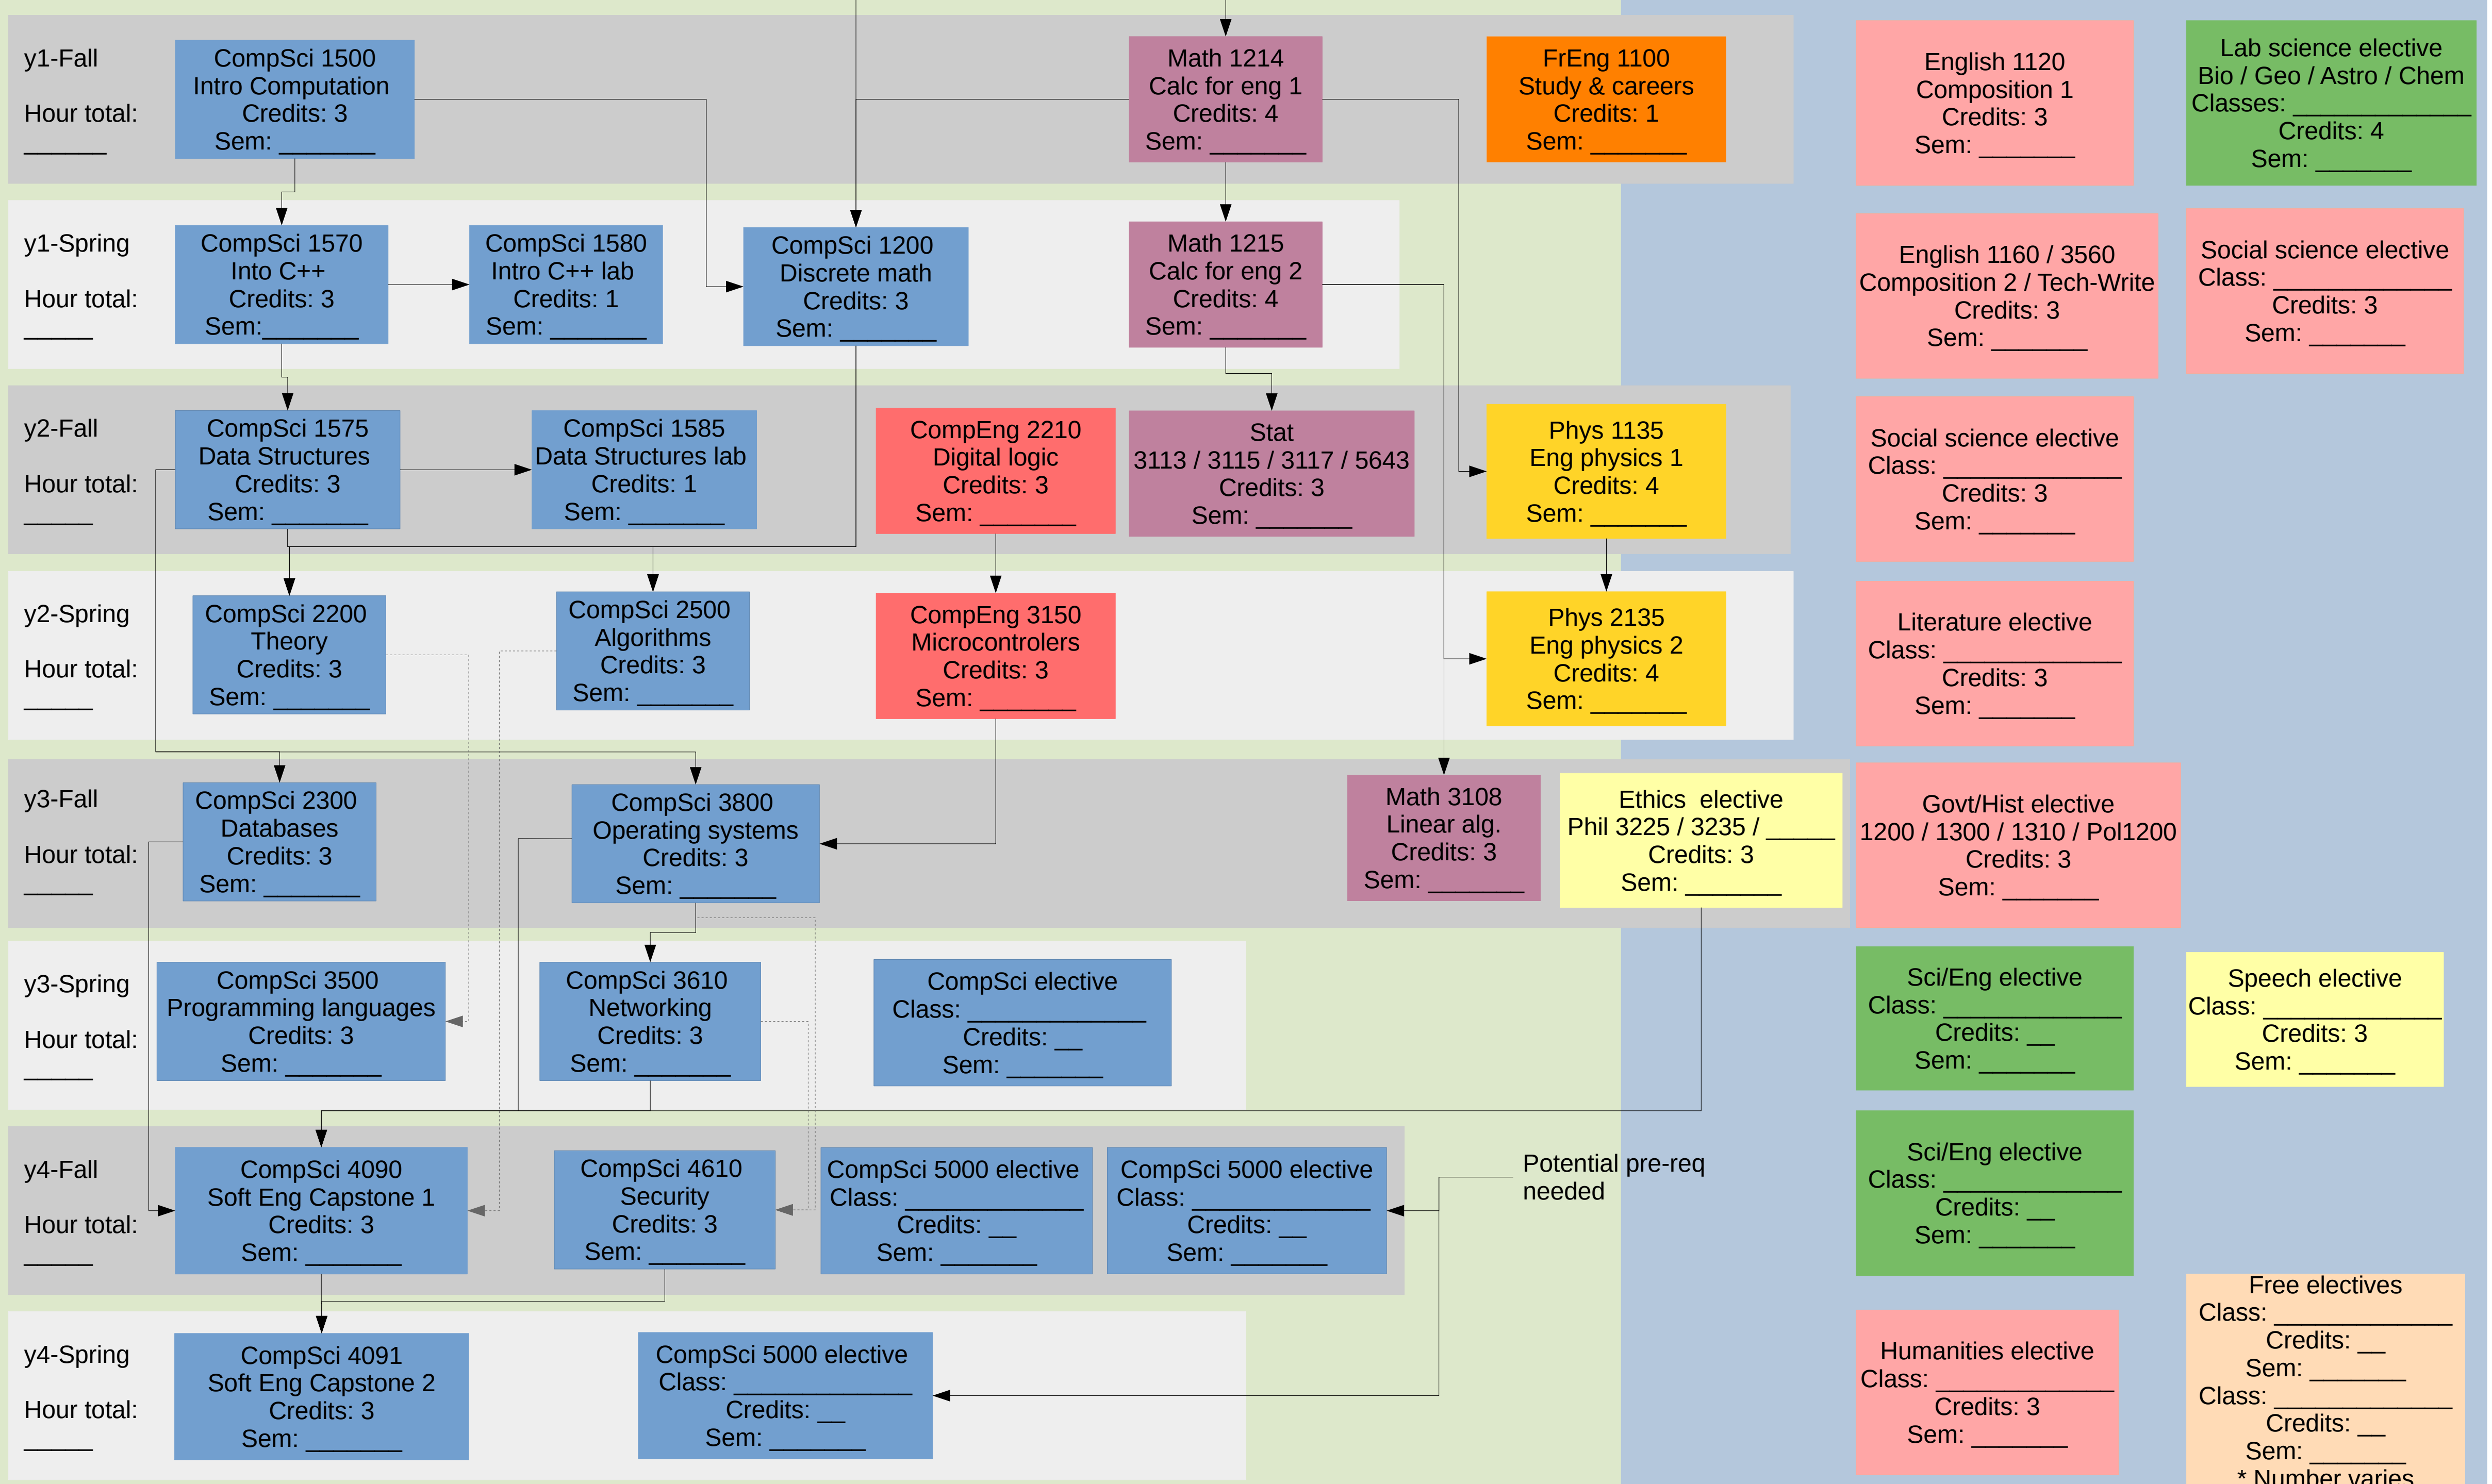

For CompSci-approved electives, see:

<https://cs.mst.edu/academic-programs/undergraduate-degree/>

For all other questions, see:

<https://cs.mst.edu/academic-programs/undergraduate-degree/>

### year-Semester

Total hours (128 needed): \_\_\_\_\_
