CS 6010 (410) SEMINARS

Instructors

Simone Silvestri (silvestris@mst.edu), Abusayeed Saifullah (saifullaha@mst.edu)

Guidelines

- Computer Science students enrolled in this course <u>must</u> <u>attend</u> at least N-2 seminars, where N is the total number of seminars.

- Enrolled students are <u>required to write a report</u> for each of the attended seminar.

- Report format:
    - Length 1-2 pages typed, single or double space,
    - Font Type: Times New Roman, size: 11-12
    - Contents:
    - Abstract,
    - Introduction and background,
    - Research contribution,
    - Future work
    - Conclusion and your thoughts

- Reports are due at most one week after the seminar

- Reports are graded based on the format, structure, readability, and contents.
